

**Pictured above is Bill VanLeeuwen with deflated helium balloon and tag attached to it. Bill found the balloon in Osterville's Neck Pond last Friday. The inscription on the tag read: Hunger Relief Fund; possible \$25 prize to finder. Return to Campus Ministry Center, Villanova University, Villanova, PA 19085. Bill has written away to find if he has won the prize money, and to determine when and where the balloon was launched. (Village Advertiser Photo)**
