EASY ELEGANT CHICKEN

2 chicken breasts, boned
4 mushrooms, sliced thin
2 whole slices of mozzarella or fontina cheese
flour
salt and pepper, to taste
butter

Place wax paper over chicken breasts and pound thin. Add salt and pepper to taste. Dredge in flour and egg. Preheat broiler.

Heat butter in pan, but do not allow it to brown. Quickly saute chicken, about two minutes on each side. Do not overcook. Remove to broiling pan. Cover chicken with sliced mushrooms. Top with cheese. Broil until cheese melts.

Serve immediately.
