

The photo at left shows Marstons Mills Village Square, with the home and store of Foster Crocker. The home of Isaac Green is on the right, with the village pump in the foreground. This photo is one of many being gathered by the Marstons Mills Historical Committee. Anyone having photos or other items of historical interest that they would be willing to donate or loan to the historical commission are encouraged to do so. The Historical Committee meets the first Tuesday of every month at 7:30 p.m. in the Marstons Mills Library.
