Dear Andrea Leonard:

I just had to bring your marvelous article in the "Village Advertiser" to the attention of our C.P.S. State Executive Committee, who at once wanted me to write you to thank you for undertaking the article.

for assuring its circulation,  
and for speaking out so  
articulately for our agency  
and its efforts! You are a  
most unusually talented  
person, and C.P.S. is  
indeed fortunate to have  
your commitment. It cer-  
tainly impressed our  
Executive Committee, each  
of us feeling that with

this kind of staffing. The  
agency cannot fail, and  
we as Board members must  
work hard to support our  
staff in every way possible!

— Hope you're having a  
good summer?

Best love with our  
heartfelt gratitude—

Sue Lyman
